

TECHNICAL DATA SHEET

DucoVent Premium Trimless

(by Prado)

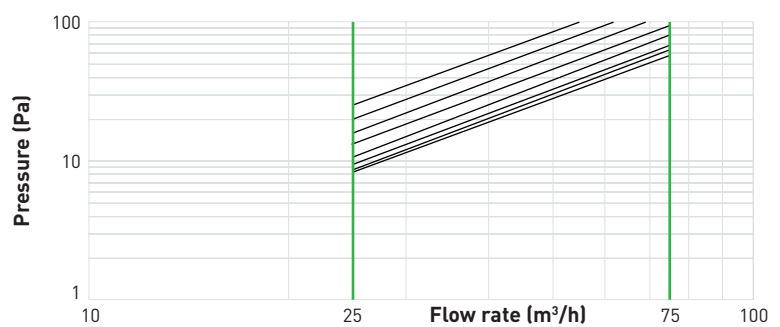

The DucoVent Premium Trimless is by far the most aesthetic vent on the market that can be used for both supply and extraction. A 'trimless' integration into the plasterwork makes the vent almost invisible. The well-thought-out design ensures a diffuse air supply via the Coanda effect, thus guaranteeing optimum comfort. Aesthetics and quality in one product! A perfect combination with DUCO's high-quality ventilation solutions!

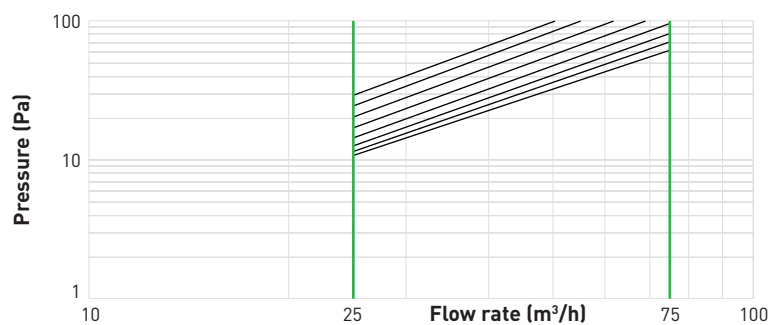

Specifications

Item number	0000-4903 White 0000-7105 Black
Dimensions	Vent: \varnothing 108 x 74 mm Plaster ring: \varnothing 190 x 74 mm
Mounting height	0 mm (recessed without visible edges)
Maintenance	Easy to clean
Scope of application	Ventilation ducts (extraction and supply) \varnothing 125 mm
Connection	\varnothing 125 mm
Sealing	Rubber mounting ring (on plaster ring)
Mounting	Suitable for ceiling and wall Min. 35 cm from the wall To be plastered in (plaster ring)
Maximum flow rate supply	50 m ³ /h
Maximum flow rate extraction	50 m ³ /h
Adjustment	32 adjustment positions
Material	Plastic Rubber
Colour	White (visible parts can be painted over with a synthetic primer), Black
Weight	280 g
Packaging	Per piece in box
